Dr. Brennan Jacoby is a philosopher and the founder of Philosophy at Work. He holds a B.A., M.A. and Ph.D in philosophy, and his doctoral work analysed trust in the context of interpersonal relationships and corporate character. With Philosophy at Work, he helps businesses and their people develop the psychological safety and cognitive confidence they need to think their best as they navigate an everchanging professional landscape. Recent projects include helping The Wellcome Trust think critically about trust in healthcare, supporting Deloitte UK to cultivate a growth mindset, and enhancing curiosity across Sony Music's global community.
